

FLOAT

JAPAN SERIES PANELS

The FLOAT Japan Series Panels are a set of two book matched panels inspired by a 16th century Japanese Spring Kimono fabric. The mirrored faces reflect light while the perforated patterns cast their ornate shadows onto the surrounding environment.

SPECIFICATIONS

Stainless Steel Panels: mirror finished front, satin finished back.
Suspension Clips: polished aluminum.
Stainless Steel Suspension Cables: 6' long.
Custom finishes and cable lengths available.

DIMENSIONS

24" wide x 48" high
